Membership Information

About ISKA

The Irish Steiner Kindergarten Association (ISKA) is the representative body of Steiner Early Childhood Carers and Educators in Ireland.

ISKA was founded in 1992. The Association was formed out of a common wish to support and learn from each other, and it will continue to develop in that spirit.

Aims

- To promote and support the development of Steiner Waldorf Early Childhood Education in Ireland.
- To act as an effective representative body for professionals working in Steiner Waldorf Early Childhood Education.
- To support and promote the provision of sessional, full daycare and other childcare and family support services of the highest quality as an integral part of a continuum of community care for children.
- To establish and develop a range of training programmes for professional childcare practitioners
- To provide professional in-service training programmes for members
- To work in collaboration with other organizations and agencies to promote high quality, affordable childcare services in the community
